NFRC Recognition of Element Material Technology 3922 Delaware Avenue Des Moines, IA 50313

Element Material Testing Labs of Des Moines, IA has fulfilled all the requirements for NFRC recognition as a laboratory to conduct air leakage and operating force in accordance with the requirements of NFRC 701.11, *NFRC Laboratory Recognition for Air Leakage Testing*.

This recognition expires on same date as this laboratory's ISO 17025 certificate of accreditation. Suspension of this recognition may occur if air infiltration and operating force conducted per ASTM E283 and ASTM E2068, or AAMA/WDMA/CSA101/I.S.2/A440, are not listed in the most current ISO 17025 scope of test methods or have not been physically audited within two years of the ISO or NFRC inspection date, per NFRC 701.11, Section 1.2.B.ii.

A handwritten signature in black ink, appearing to read "Dennis Anderson", is written over a light blue horizontal line.

Dennis Anderson
NFRC Program Manager
